The background is a blurred natural setting with dry grass and other vegetation. A semi-transparent white box is overlaid on the upper left portion of the image, containing text.

In recognition of the deep history and culture of this island, the
Tasmanian Government acknowledges and pay respect to
Tasmanian Aboriginal people, as the traditional owners
and continuing custodians of this land.

We pay our deepest respect to Elders past and present
and their continuing connection to Country.

■ Minister's Message

Welcome to the 2023-2024 edition of the Seniors Card Directory.

Older Tasmanians have a great opportunity to live healthy, happy and active lives in our beautiful state. The Seniors Card Directory is one way the Government is helping to build a Tasmania that supports older people to live well.

The Directory provides ways for older Tasmanians to connect with community and friends. It also saves you time and money as you shop, dine, travel and be entertained. As cost of living stretches household budgets, it's important that the Tasmanian Government does what it can to make it easier to access the services and supports that are needed. Card holders will find a range of discounts and special offers to save on all sorts of services from automotive and household needs through to health and financial services.

We're excited to announce that this year the Seniors Card Program has introduced online services for Card holders and Business Partners. If you don't have a Seniors Card already, you can sign up online. The online platform is easy to use, and members can also access accounts and search the improved online Directory for discounts anywhere, anytime. Just go to www.seniors.tas.gov.au

The Seniors Card connects older Tasmanians with local and interstate businesses that feature in this Directory. I thank our Business Partners for their commitment and support for older Tasmanians. While navigating a rapidly changing environment over the past two years, Business Partners have remained loyal to more than 120,000 Tasmanian Seniors Card holders.

I hope you take advantage of this edition of the Seniors Card Directory and visit our website to view the new online seniors card services.

■ Participating businesses

Please be courteous to participating businesses to support the ongoing growth and success of the Seniors Card Program. The businesses in this directory have joined the Program voluntarily to support older Tasmanians and are not reimbursed by the Tasmanian Government.

If you know of a business that offers discounts to older Tasmanians, encourage them to join the program by creating a self-managed online account at **www.seniors.tas.gov.au**. New businesses are able to have their listings displayed immediately on our website as well as our facebook page.

■ About the Tasmanian Seniors Card Program

The Seniors Card Program is coordinated by the Tasmanian Government in partnership with the public and private sectors. Each year, the Program continues to grow, with over 120,000 members and more than 600 businesses offering discounts in 2022.

The Seniors Card encourages older Tasmanians to maintain an active lifestyle by giving them access to public transport concessions Australia-wide and offering hundreds of discounts from businesses across the state.

It is worth taking your Seniors Card with you when travelling overseas as it is often accepted by businesses internationally as a matter of goodwill. All you need to do

is ask, particularly in New Zealand, United States, Hong Kong, Singapore, Canada and the United Kingdom.

■ Current Card Holders

If you already have a Seniors Card visit **www.seniors.tas.gov.au** and follow the prompts under 'Current Card Holders' to activate your account.

■ Who is eligible?

You are eligible for a Seniors Card if you meet the following three criteria:

1. 60 years of age or over
2. reside in Tasmania, and
3. work less than 20 hour per week in paid employment.

■ How to apply

Before you apply you will need to have the following:

- An email address for validation when you create your online account
- Your Tasmanian driver licence, or original documents with your Tasmanian residential address and date of birth
- Your proof of identity documents if you are applying in person at a Service Tasmania centre.

If you are unable to apply online or go to a Service Tasmania centre, you can download the application form

and post it with copies of your identification papers to: Seniors Card Program, GPO Box 123 Hobart 7001 or email it to seniors@dpac.tas.gov.au

■ Manage your details

Your Seniors Card does not expire, and you do not need to renew or replace it unless it is damaged, lost or stolen.

Changing your personal details and ordering a replacement Card can be done online, at a Service Tasmania centre in person, or by calling Service Tasmania on **1300 135 513**. If you are changing your name, please provide evidence.

Use our fast and easy online system. If you applied using the new Seniors Card website your online account was set up automatically.

If you are an existing Seniors Card holder without an online account, you can activate your account at **www.seniors.tas.gov.au** and follow the prompts under 'Current Card Holders'.

■ Hints on using your Card

- The best way to get value from your Seniors Card is to use the card as often as you can, regardless of how small the purchase may be.
- Regularly review the online Seniors Card Directory for up-to-date offers and discounts.
- Look for the 'Seniors Card welcome here' sign (see right), which is displayed by many business partners.
- Ask for the normal quoted price before asking for the Seniors Card discount or presenting your Card. Remember, discounts generally apply to the recommended retail price not specials, sale prices or coupon offers.
- Shop around and compare prices before making a purchase as the use of the Seniors Card may not necessarily give you the best deal.

- Always present your Seniors Card at the time of booking or before making a payment. Most businesses will not accept Seniors Cards once a transaction or service has been completed.
- When making a booking over the phone, have your Seniors Card handy to quote the number.
- If a registered business does not display the 'Seniors Card Welcome Here' sign, you might like to suggest that the Seniors Card Program will provide free-of-charge promotional signs that will encourage more seniors to shop there.
- Take your Seniors Card with you everywhere, even when travelling. All Australian States and Territories have a Seniors Card Program and most participating businesses accept cards from interstate. Go to page 8 for more information.
- Even if a business is not in the directory, we suggest you ask if a discount is available for Seniors Card holders. If you discover a business offering discounts to seniors that isn't listed in the directory, please ask them to register with the program so we can promote their offer and business to card holders.
- The Seniors Card is for personal use only and is not transferable to other people including family members, friends or colleagues.

Seniors Card Directory updates can be found at www.seniors.tas.gov.au and on our facebook page.
